I finally found God for a special person, but he ignored me
I prayed while sacrificing my skin and blood but he turned away
Regret and hatred can only eat me away
Those who give up on God and betray themselves become fallen.
An angel can't be saved for he will just live forevermore in misery

Even his voice is great!
I thought he was supposed to be COLD but no, look at his smile!

Now, we need to find you a seat...
*oppa is something Koreans say after the name of an older boy
Jeha oppa*
Well, if you want to get used to Korean school life again it's best to sit next to class president Yunju

Yungyu, you must be SO happy
If possible...
I would like to sit in the way back, you know, to concentrate better.

Good point
Please sit
wherever

Hell, please take care of me! You are my first girl partner in years!
Oh! Sure!
rub rub
He's so radiant.. Huh strange

Yungju, are you alright?
My whole body feels weird
As if nothing is going to be the same again.

YUNU, YOU PROMISED!
Don't just make up things on your own I'm busy today
Isn't it class now? Why are you here?
You promised you would buy a gift for Daddy for me!
Hemi I'll buy something later, okay? So you can pick your own gifts for now!
she has attitude problems!
But it's meaningless without you!
Idiot: can't you tell I want to go on a date with you?

No, I'm sorry but I can't today? Can you please reschedule?
Hemi used to be cute when we were little, but now she's just grumpy!
Besides, you won't be able to concentrate because of all those crazy fans!
Do you think I don't know you have millions of successful disguises?
I'm sorry, but, no

BASTARD.
Excuse me? Did you just call me bastard? Are you kidding me?
ticked off
Am I wrong? You have enough time to go chasing Hajin, but no time for your friend?
You want to talk about Hajin again?
I have a limit too!

This is your second warning Don't blame everything on Hajin
What is she to you? Is she so important you must treat me like this? Look at me LOOK at me!
If you really have an excuse I'll listen
Oh, well

II told you this before,
I have someone I must find no matter what
Why is he talking about that again?
Yeah but why? That was a long time ago
I cried for so long after hearing that before!
Don't cut me off. You thought I was kidding but I was serious And
You're trying to shoo me by telling me AGAIN?
I finally found her
what nonsense!

What?
She's my soulmate.
I can't give her up.
Her name is Hajin Seo.
You expect me to believe that you're in love with the loser?
You're just saying that so I'll run away

I know your shocked, but I don't care anymore.
You don't have to believe me.
You are my childhood friend, you are my best friend. Hajin is the person I love. Please understand.
I won't. She is not from a rich family She isn't popular
Yuru, you've gone crazy
Hemi...I've never thought of you as anything but my friend
I'm sorry
NO! I DON'T WANT TO HEAR YOU I DIDN'T HEAR YOU! I CAN'T HEAR YOU!
Hemi Yun

It's fine if you just can't buy stuff! But I'm never giving up on your life as your loved one is UNACCEPTABLE!
YOU were the one to say that you would give up on me as soon as I found someone I loved.
Well apparently I added fuel to the fire, huh?

Ugh...
I have a headache
But Hajin.. Hemi will go and kill her now

For that poor chick, I...
BITCH!
?
SMACK

what in the world..?
HOW DARE YOU, you're just a poor ass!
Hey you listen up. If you flirt with Yunu EVER again, I'll kill you for sure.
Don't even TALK to Yunu, EVER!

Maybe I'll tell on you to Yunu..?
Oh, shut your prissy little mouth!
Maybe that's why Yunu doesn't like you. Try being nicer.
I was expecting this
You Dog-like..

You had something to tell me?
I'm sorry for bringing you out
Probably going to thank me for earlier
Your cheek is still swelling

Uh yeah, it's fine
What am I doing?
I didn't even want to help her, so why did I?
What is it? If it's about before, you don't have to thank me.
What?
No. Well, thankyou but please. From now on please don't do anything

You're worried that I'm going to make you owe me, huh?
Oh, right
No, it's just that I want to solve my problems on my own
Now that I look at her, she is quite strange.
Huh, solve your problems on your own? That makes sense.

Sunbae*, what...
She's just going to go blah blah.
I mean, you were slapped in the classroom and you didn't say anything.
Did I make him mad?
Or, do you mean that you just got slapped for solving your problems?
And how exactly will you do that?
I'm sorry if I was rude, I just-

Why am I so angry?
um...
that By *that* Hajin means something that will be shown in a later chap.
I just want to solve things on my own and not get anyone else into trouble
I don't want "that"* ever again.
I'm sorry. I was just anxious
Huh she's not as bad as I thought
No, no, it was me.
Well, okay. I understand.

And, can I go now?
Yes, of course
And remember I'll be looking at you to see if you're solving your problems well
Break a leg!

Jeha Oppa, what are you thinking?

SHUT UP!
Well..I meant to say that all of you are loud but I m going to be the only one punished since I m class president

QUEEN

Ehmagod look who's here, it's Hemi Yun!
why's this bitch clingy all of a sudden?
It's been a long time since we last met, Sunbae.
Can I sit here? I've been thinking of you even before this! Good thing you came!
So you finally got one?
One what?

How cute, pretending to not know! I heard you had a catfight with Jeha Han!
Jeha Han?
What are you talking about? Who's Jeha?
Is she drunk? I have no idea who Jeha is.
Eh, you really don't know Jeha? I heard you stepped into this classroom to teach this chick a lesson and then got embarrassed thanks to him stopping you!
It spread in the entire school! How do you feel now that you have met him?
Then, that guy was

Is he that famous? It's my first time hearing about him.
Eh, well, that makes sense. You transferred here last year.
Back to the human, please!
If you looked close, you'd know he was hot right? If only he hadn't gone to America we'd be in the same grade...
Human? Don't call him that. He's your Sunbae, although he's in the same grade as you. He's the son to the JINYUNG GROUP.
J-Jinhyung Group?

Jinhyung Group's boss Sungmin Han's favorite son that everyone will die for. Not only is he smart, he is also hot.
He cancelled school as soon as he got hired as next boss. He had "going to another country" as an excuse
The girls got crazy at the sight of Jeha cancelling school. But he is as cold as ice and people were afraid of him.
Not only was he flawless, he was also cold, so it was hard to get close to him as anything other than acquaintance.

I knew he wasn't average but---
I couldn't believe he'd stand up for someone he'd just met
He had even ignored MOI, after all
So, how do you feel now?

You look happy, Sunbae
I'd have beaten you up by now if only you weren't my Sunbae.
Oh, really? Did it show? I'm happy!
How did I feel?
Oh, I love this song! I'll be back soon!
Actually, I felt scared.

He was smiling and yet he had a cold aura all over.
오싹
He was shockingly beautiful, but scary There wasn't an ounce of joy in him
step it.
And my fate got intertwined with HIS
He's so different from the childish Yunu

He's not someone you can mess with...

It's about Hajin Seo.

Hajin Seo? Why her?
I don't want you to become anxious due to her.
Anxious? Why would I be anxious?
I really didn't want to say this
You wouldn't know because you just came back from your trip. Hajin has problems. She is always frowning and she never talks or smiles. She doesn't behave right.
I'm not saying that stopping a bully is bad. I'm just saying that even so, she has full fault for being the loner of the school.

Yungju Cha
WHA--
